# LEARN

Adding by making 10

What is 8 + 5?

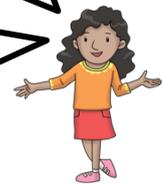

8

5

10

3

$$8 + 5 = 13$$

2   3

8 + 5 is equal to 10 + 3.

8 + 2 = 10
10 + 3 = 13

Trainer/Guardian: Prepare two 10-frames for the Learn activity above. Show the child that 8 + 5 is equal to 10 + 3 by having him move 2 counters from 5 to 8. Please refer to the last page for additional information.
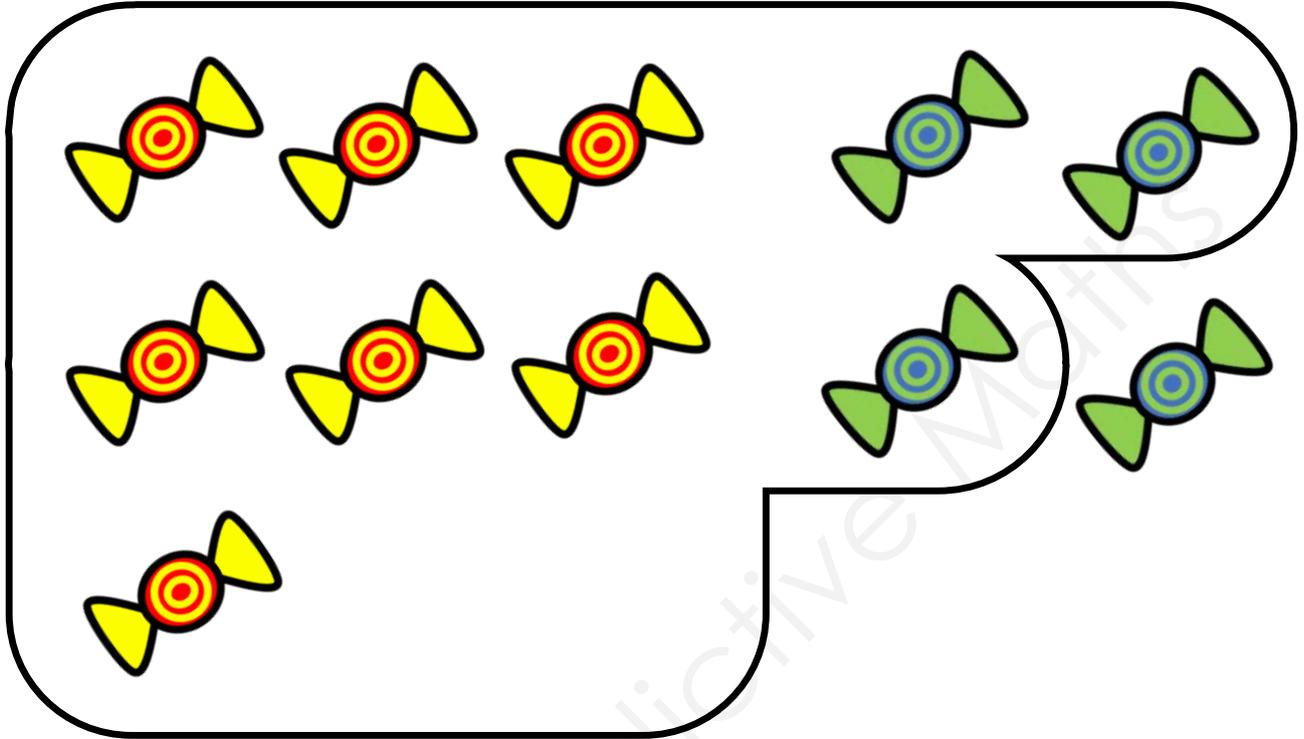

2. Circle a group of 10.
   Fill in the blanks.

$$10 + 5 = \underline{\hspace{2cm}}$$

So,

$$9 + 6 = \underline{\hspace{2cm}}$$

b)

$$7 + 4 = \underline{\hspace{2cm}}$$
